Hello Mr. Lechuga,
We have cited and vacated the homeless on Caltrans property this morning. I have also sent photos of the litter and debris to Caltrans.
I'll follow up with Caltrans and ascertain when they are available for cleanup. Just FYI, the tents that are setup on the sidewalk is the City's jurisdiction. I'll contact L.A. Sanitation and try to schedule a cleanup.

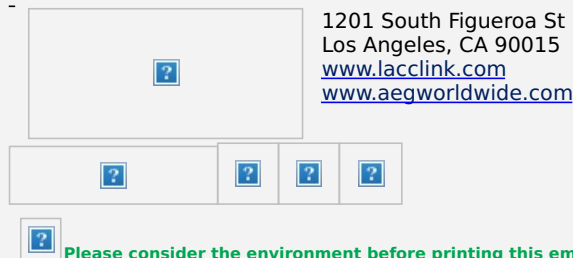

Thank you
Matthew Hong

Officer Hong,

See attached pics and below update on some of our encampments around our property. We would greatly appreciate your assistance in this matter. Thanks!

Subject: Beginning of September Homeless Encampment Reporting 08/27/2018-09/03/2018

Ruben,

Weekly reporting of homeless encampments around LACC and surrounding areas are as follows:

Bond Lot/St- No encampment activity present.

South Ramp- Miscellaneous abandoned property was observed (Photo attached).

Cherry Lot South- Possible encampment on Pico Blvd side within Caltrans fencing. Bedding, blankets and an orange shopping cart were observed. In addition, there was a break in the fence as a point of access (Photo attached).

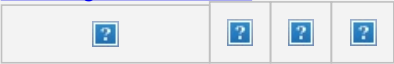

Cherry Lot North- A makeshift tent, sleeping bag, bicycle and miscellaneous personal property was observed on the Cherry lot portion of the fencing (Photo attached).

Surrounding Area Encampments (Off 12th/ LAL Way 110 Bridge): Bulky items and multiple homeless encampments were observed on the side walk of 12th St under the bridge (Photo attached). An L.A City 311 service request was generated (# 1-1162444455).

*An LACC area map is also attached where the red triangle represents the off property encampments, the red stars represent the on property encampments and the diamond represents the abandoned property under the South Ramp.

This concludes reporting of homeless encampments for the week of 08/27/2018-09/03/2018.
